## **THE CURRICULUM**

IUB is committed to producing graduates of international standard who will be equipped to provide new leadership to the national economy through skilled employment, entrepreneurship and/or applied research. The curriculum of IUB has been carefully designed to provide students with

(1) Communication skills, (2) socio-cultural background, (3) applied skills or project based experience and (4) an area of sub-specialization. During the first year, students take courses on learning skills, national culture and electives in arts and science.

To ensure international standards in teaching and to provide wide options for students to study abroad or acquire international experience, IUB maintains peer relations with a large number of the world's top-ranking universities and institutions. The programme of study and the academic regulations of this university are based on the American course structure and semester system.

IUB offers a 4-year Bachelor's degree with Honours in Arts (BA), Business Administration (BBA), Social Science (BSS) and Science (BSc) in interdisciplinary areas of (1) Business, (2) Engineering & Computer Science, (3) Environmental Science and Management, (4) Social Sciences and Arts, (5) Life Science and (6) Law.

The School of Business of the University offers degree of Master of Business Administration (MBA), Executive Master of Business Administration (EMBA) & Master of Science (MSc.) in Economics. The School of Engineering & Computer Science offers Master of Science (MSc.) in Computer Networks & Communications, Computer Science, Electrical & Electronic Engineering, Software Engineering and Telecommunication Engineering. The School of Environmental Science and Management offers Master of Science (MSc.) in Climate Change and Development, Environment Management and Floodplain & Disaster Management. Master in Public Health (MPH) is offered by School of Public Health. The University also offers graduate program of Master of Social Science (MSS) in Development Studies and Media and Communication and Master of Arts in Applied English Language Teaching under the School of Liberal Arts and Social Sciences.

Types of grade	
Blank	Institutional (IUB)
E	Examination
T	Repeated (Credit not allowed)
R	Repeated (Credit allowed)

### **Retake**

- In the event of a retake the latest grade earned by the student will be considered towards counting of the CGPA.
- Students will be allowed to retake any course twice only, regardless of grade earned including W
- A course must be re-taken within the next two semesters of the original course registration.
- A course must be re-taken in immediate successive enrolled semester if the grade is F.
- A course must be re-taken in immediate successive enrolled semester if the prerequisite grade is not achieved.

### **Fail (F)**

- F grade in any subject will remain in the transcript.
- **Failing in the same course thrice will lead to cancellation of admission.**

### **Incomplete (I)**

Awarding of Incomplete or 'I' grades should be strongly discouraged. 'I' will only be allowed for students who have a valid reason (ascertained by the senior management). In situations where the student is unable to complete the course due to unanticipated illness or family emergency and has not attended at least 75% of the classes held, he / she will be asked to withdraw from that course and repeat it. In unavoidable circumstances where students have completed 75% of the classes but are unable to continue (due to illness or family emergency), instructors are requested to give the student a composite grade based on assignments/tests that have already been completed and any additional assignment/exam that the instructor feels necessary. The student should fulfill the requirement before the end of the following semester in consultation with the course-instructor, failing which the grade converts to 'F'. The student is **not required** to register for the course in the next semester.

### **Withdrawal (W)**

A 'W' grade means withdrawal. **A student may decide to withdraw from a course by the deadline.** If a student misses a total of eight classes (out of a maximum of 24-26) in a course, s/he will end up automatically with a W grade.

### **Probation:**

- A CGPA of less than 2.00 will result in the student being placed on probation and such a student must immediately consult his/her advisor and the Student Counselor.
- If the CGPA is below 1.5, and the student is on probation for two successive semesters at the end of which his/her admission to this University is cancelled.
- If the CGPA is 1.5 or above but still below 2.00, the student is permitted to continue for one more semester on probation. By the end of this third semester in probation, the student must increase the CGPA to 2.00 or above; otherwise his/her admission to this University will be cancelled.

### **Graduation**

A Cumulative Grade Point Average (CGPA) of minimum 2.00 is required for graduation. Individual Schools may require higher point average in major courses of 300 levels and above.

\*A 'Y' grade means audit. A student may decide to audit a course of his/her interest. In this case, the student pays the full tuition fee for the course, attends the classes, but is not required to sit for the exams or turn in the assignments. No credit is earned.

\*\*An 'O' grade is given to a student who has been administratively discontinued by the management as a punitive measure.

\*\*\*A 'Z' grade is a symbol assigned by the Registrar's Office if no grade is received within the deadline. A transcript shows the earned credit, grade status for course(s) taken at IUB and those transferred from other institutions.

## MINIMUM CREDIT REQUIREMENT PER SEMESTER:

- The newly entering students must take a minimum of 9 credits in a semester. These 9 credits must come from foundation courses in a PRESCRIBED SEQUENCE.
- Returning students can take a minimum of 9 credits and a maximum of 18 credits in a semester. The first rule that has to be applied is the clearing of all previously failed courses whether foundation or not.
- Additional courses must include foundation courses in A PRESCRIBED SEQUENCE. For example if a student has failed in two non-foundation courses (totaling 6 credits) in the previous semester and she/he wishes to enroll for only 6 credits, they must re-take the two failed courses. If they wish to enroll for 9 credits or above, the additional courses must include a minimum of 6 credits from foundation courses in a PRESCRIBED SEQUENCE. Thus if he/she is enrolling for 9 credits, the student will take 6 credits from the failed courses (retaken) and an additional 3 credits from foundation courses in a PRESCRIBED SEQUENCE. If he/she is enrolling for 12 credits, the student will take 6 credits from the failed courses (retaken) and an additional 6 credits from foundation courses in a PRESCRIBED SEQUENCE.
- If a returning student has no previously failed courses, he/she must take a minimum of 6 credits from foundation courses in A PRESCRIBED SEQUENCE until all 12 foundation courses have been completed.
- Although students are allowed to take a minimum of 9 credits in a semester, to be eligible for financial aid from IUB they must take at least 12 credits.

### **REGISTRATION OF LIVE-IN-FIELD EXPERIENCE (LFE201):**

LFE201 is a mandatory course which has to be completed after six semesters. The students will be required to register for LFE201 along with the semester registration. The registration for LFE201 will be on a first-come-first serve basis.

If a student becomes sick s/he may drop out from LFE; s/he will get hundred percent adjustment/ refunds of fees paid.

### **INFORMATION FOR THE FINANCIAL GUARANTOR/PARENT/GUARDIAN:**

The academic transcript contains details of the academic performance of the student for the entire period at IUB including the latest semester.

A student may not receive the academic transcript due to the following reasons:

- fees due in the Accounts Office
- materials owing to the library
- dues at the school of the major
- dues at the Office of the DoSA
- for any other reasons as determined by the University

### **REPORTING OF GRADES FOR STUDENTS WHO ARE ON PROBATION:**

- As soon as the students are on probation they cannot use iRAS for registration. They must bring their guardians to consult with the Academic Advisors for registration.
- Students who will fail for the 2<sup>nd</sup> time in the same course will have to follow the same procedure as above.
- Registrar's Office will issue a copy of the academic transcripts at the end of every semester to the financial guarantor of the students who are on probation. The forwarding letter shall contain a statement regarding the probation status of a student and the student should immediately contact the Academic Advisor to discuss the academic plan.

### **STUDENT COPY OF THE ACADEMIC TRANSCRIPT:**

Student/financial guarantor may collect a student copy of the academic transcript at any time upon payment of Tk 100/- per copy from the Office of the Controller of Examinations

### **PROCEDURE FOR COLLECTING INFORMATION ON THE STUDENT'S ACADEMIC PERFORMANCE/PROGRESS FOR A CERTAIN SEMESTER:**

All financial guarantors/parents/ guardians are welcome to collect any information on the academic performance/progress of their son(s)/daughter(s)/ward(s) from the respective faculty members by prior appointment over phone. Further information may be available from the respective academic advisors and Registrar's Office.

### **REQUIREMENT FOR DOUBLE MAJOR IN THE UNDERGRADUATE PROGRAMME:**

- Double major in the same/different school/s may be allowed but the students have to fulfill all the criteria i.e. foundation courses, core courses, required courses from both the selected majors and a minor.
- Only the students who earned a CGPA of 3.5 and above will be allowed to do a double major.
- Minor of a major cannot not be converted to major i.e. for earning both the major there should be one minor.
- To obtain two majors, a student has to pursue a minimum of 18 credit hours of course work and 6 credit of

senior project or internship from each major (i.e.  $18 \times 2 = 36$  credit hours of course work, and  $6 \times 2 = 12$ ) credits); i.e. one senior project and one internship will be required to do the double major. The students have the liberty to choose senior project and the internship from their majors.

### **ATTENDANCE POLICY:**

- If a student misses a total of eight classes (out of a maximum of 24-26) in a course, s/he will automatically with a W grade.
- However in special cases (where the number of classes missed is between 8) an exception may be considered. The modality of this consideration will be through a grade change form filled by the instructor and approved by the Head of the Department and the Dean of the School.
- All instructors have to login to the students' attendance page within 5 minutes of the official time of commencement of the class and submit electronically the attendance form within the next 15 minutes.
- No student will be allowed to sit for any examination if their name doesn't appear on the online attendance page.

### **TIME LIMITATION FOR COMPLETING DEGREE:**

Students will be allowed up to 8 years from the date of their initial enrollment to complete their degree.

# CODE OF CONDUCT

Once a student makes a choice of being a student of IUB, the student becomes a part of the IUB community. This community includes the student body, faculty members, and the administration. The relationship of the student with the IUB community is based upon mutual trust, personal respect and individual integrity. They shall demonstrate respect for all members of the IUB community as individuals, avoid exploitation of fellow community members and make every effort to foster academic conduct.

Students are expected to become their best selves and to work consciously towards bringing forth the best in others. It is expected that students clearly understand that while they are in IUB they bear the name of the University. All behavior therefore must reflect this reality in the social, civic, educational, and living environments in which they find themselves. Students are expected to be involved in the educational process that extends beyond the classroom as they design, create and participate in educational opportunities with and for other members of the University and civic community. The commitment to and involvement in the educational process at the University means that all aspects of human living are to be viewed as opportunities to teach, learn and grow. In pursuance students must always abide by all rules and regulations of the University.

All students shall abide by this guideline "Code of Conduct" at all times during their association with IUB. The term 'University' shall mean any physical property owned, or rented by the University to conduct its activities. The term also describes any other property where the University would be conducting its field activities, such as picnics, field trips, Live-in field experience, etc. As all students carry the name of the University even when they are off-campus, and not engaged in any University related activity, all students are held responsible for their behavior off-campus also. Therefore, the University is free to take punitive action against any students for any act of indiscipline committed on off-campus.

**Offences:** Conduct of students which are subject to penalty includes, but is not limited, to committing, assisting or participating in the following offences:

1. Plagiarism. (Plagiarism is a form of academic misconduct in which an individual presents the work of another person as his or her own. An important function of a University education is to equip students to appreciate and practice scholarship. It is in this context that the work submitted by a student must be their own. However, when excerpts are used in paragraphs or essays, the author must be acknowledged through footnotes, references, bibliographies or other accepted practices.)
2. Submitting the same essay, presentation or assignment more than once whether the earlier submission was at this institution or another institution, unless prior approval has been obtained.
3. Cheating at a quiz/test/or an examination or falsifying material subject to academic evaluation. Cheating includes, *inter alia*, offering or receiving in an examination any material other than those authorized by the examiners.
4. Submitting false records or information, in writing or orally, or failing to provide relevant information when requested.
5. Impersonating a candidate at an examination or availing oneself of the results of such examination.
6. Falsifying or submitting false documents, transcripts or other academic credentials.
7. Preventing, hindering or disrupting faculty, staff, students or other employees of the University in the discharge of their duties or academic pursuits.
8. Preventing, hindering or disrupting faculty, staff, students or other employees of the University or any visiting speakers from lawfully exercising their right to express any point of view or opinion or lawfully meet or assemble.
9. Preventing, hindering or disrupting visitors to the University from carrying out their lawful business.
10. Damaging, removing, or making unauthorized use of University property, or the personal property of faculty, staff, students or others at the University. In this context the meaning of 'property' includes information, however it be recorded or stored.
11. Engaging in verbal or physical altercation with other faculty, staff, students or other members of the University.
12. Assaulting individuals, including conduct which leads to the physical or emotional injury of faculty, staff, students or other members of the University, or which threatens the physical or emotional well-being of faculty, staff or students or other members of the University.
13. Using, possessing, distributing or selling of alcohol, drugs, or other substances of abuse, or being under the

influence of such. For any reasons other than medical, in the University during or after University hours.

14. Smoking within University premises.
15. Possessing any weapon or instrument, which is capable of resulting in bodily injury to others in the University during or after University hours.
16. Speaking, addressing, behaving or treating members of the opposite gender in a manner that could be construed as gender harassment.
17. Discriminating between any members of faculty, staff, students, or other members of the University on grounds of gender, color, race or religion.
18. Dressing inappropriately, or in a manner that may be considered offensive considering the culture of the country.
19. Bringing false allegation against another member of faculty, staff, student, or others in the University.
20. Withholding information about any offence committed by another faculty, staff, students or others in the University, when asked to produce such.
21. Creating nuisance within the University. (Nuisance is considered physical or implied action which may be considered disturbing or annoying to the University community, or which hampers the normal operation of the University.)
22. Failing to comply with any penalty imposed for misconduct.

**Penalties:** The penalties, which may be imposed, singly or in combination, for any of the above offences may include, but are not limited to, the following:

1. A failing grade or mark of zero in the course, examination, or assignment in which the academic misconduct occurred.
2. Suspension from the University for a Specified Period of time, or indefinitely.
3. Reprimand, with letter placed in student's file.
4. Restitution, in the case of damage to, or removal or unauthorized use of property.

**A notation on the student's permanent record of the penalty imposed.**
