

Independent University, Bangladesh

NOTICE

Coronavirus Alert (COVID-19)

All are requested to remain alert to possible Coronavirus exposure and maintain the following safety measures to keep the overall IUB community safe.

- Avoid close contact with anyone with cold or flu-like symptoms including fever.
- Cover nose and mouth when coughing/sneezing with tissue or flexed elbow.
- Clean hands with soap and water or alcohol-based hand rub.
- Biometric access has been temporarily disabled. Use RFID cards instead to gain access

As part of safety measures, all IUB entrances will take temperatures of all students, faculty members, employees and staff.

If temperatures are found higher than normal, then entry to IUB shall be highly discouraged and their particulars would be recorded for monitoring purposes.

If the names of students are recorded for having higher temperatures and misses 'classes as a result, please inform course(s) specific faculty members. Attendances for those missed classes may be considered.
