

Independent University, Bangladesh

NOTICE

Graduate Students' Email Account

This is to inform all graduate students at IUB that exclusive email accounts for all active students' creation is on process; and the passwords for the accounts will be send to the respective student's email that had been specified during the admission at IUB. So, students are requested to check their emails to get the password. Therefore, all students are now requested to verify their email accounts and change passwords duly. However, please note that this email account will act as your only verified & authentic communication medium with IUB during these shutdown periods.

Therefore,

- To get access to your IUB email account, please visit:
 - <https://gmail.com>
 - Use your 7 digit IUB ID and use @iub.edu.bd to complete your Email ID (example: 2030100@iub.edu.bd) and press Next
 - Use your password that is send to your personal email
- Students who are still having problems with his/her email account and for any further clarifications in this regard, please email us to:
ithelpdesk@iub.edu.bd with a picture of your IUB ID Card or the Registration copy of the recent semester

Stay safe while we wish you all the very best for the days to come ahead.

Syed Mahfuz Ahmed
Deputy Director and Head
Central Information Technology Services
