

JOB OPPORTUNITY

Department of Economics (DoE), School of business , Independent University,
Bangladesh (IUB)

Overview of the Department of Economics (DoE)

Independent University, Bangladesh (IUB) is one of the leading private universities in Bangladesh. IUB has launched the Department of Economics in 2007 under the School of Business; the largest school of the university both in terms of the number of faculty members and students. The course curricula of the Economics Department have been meticulously designed incorporating both the theoretical aspects and practical applications of Economics. The Department emphasizes the quantitative aspects of economic theories and applications in conformity with the contemporary global trend in this discipline. The mission of this Department is to create future leaders of international standard who will prove to be exceptionally competent in confronting the challenges in their respective professions. The department is run by highly trained and competitive faculties.

Programs Offered	<p>Bachelor of Science, Economics</p> <p>Master of Science Economics</p> <p>These are American Standard degree programs. Bsc Economics program is fully accredited by ACBSP (Accreditation Council for Business Schools and Programs) Msc program is under review of accreditation in the next cycle.</p>
Faculty Profile, Research & Publications	<p>The Economics faculty members are highly academically qualified and have degrees from reputed universities around the globe; e.g. North America, Europe, and Australia. Besides classroom teaching, they are also actively involved in several research projects both inside and outside university. They have active participation and presentation in International conferences and workshops. The Department of Economics regularly arranges seminars with distinguished scholars of international reputations and encourage and facilitate faculty participation in such activities .</p>
Students	<p>The Department hosts a quite good number of highly competent students whose CGPAs are among the best in the university.</p>

International Cooperation	Department has active Collaboration with IASC, APNEC and IIFET
